PETRI NET NEWSLETTER

The rapid information service on Petri Nets and Related System Models
published by the Special Interest Group on Petri Nets and related system models of the
Gesellschaft für Informatik e.V. (GI)
Two issues per year. Issues have been published from 1979 with
topics include:

- technical contributions
- state-of-the-art reports
- reports on new books
- information on software packages
- project announcements and reports
- conference announcements, programs, and reports
- abstracts of recent publications

Members of FG Petri Nets and Related System Models of the GI receive the Newsletter free of charge.
This membership causes no further obligations or charges. For becoming a member send this application form to

Gesellschaft für Informatik e.V. (GI)
Wissenschaftszentrum
Ahrstraße 45
53175 Bonn
Germany
fax +49 228 302 167

Additional and former issues of the Newsletter can be obtained from the same address.
